7 DAYS

EMERALD COAST

ONBOARD DUFOUR CATAMARANS 48

DAY 1

CAPOCODACAVALLO

SATURDAY

We sail towards **Capocavallo** beach. Spending the night anchored in the well-sheltered waters of a bay for a tranquil and secure rest.

DAY 2

TAVOLARA

SUNDAY

In the morning, we head towards the idyllic island of **Molara**, circling it completely, then straight on to Tavolara. For lunch, we anchor at **Tavolara's Pescine**, the very spot we recommend for the night.

TAVOLARA – MOLARA – EMERALD COAST

DAY 3

GOLFO ARANCI

MONDAY

We resume navigation towards glamour **Golfo Aranci** Spectacular and charismatic, we suggest a snorkeling tour in its crystal-clear waters. Overnight stay near the island.

DAY 4

PORTO CERVO

TUESDAY

Navigation towards the renowned **Costa Smeralda**. A paradisiacal journey to the luxurious marina, whose surrounding beaches will leave you breathless. We spend the night in **Porto Cervo** for an evening of leisure and nightlife.

DAY 5

CAPRERA

WEDNESDAY

We set sail towards the magical island of **Caprera**. We recommend a visit to the charming Casa Garibaldi and a SUP tour along its beaches. For the night, we will seek a quiet bay sheltered from the wind.

DAY 6

LA MADDALENA

THURSDAY

Exploring the idyllic waters surrounding **Maddalena** Island unveils a day of tranquility and natural beauty. Discover secluded coves, relax on pristine beaches, and savor leisurely lunches amid turquoise seas. The journey offers panoramic views of rugged coastlines: an unforgettable day of serene exploration.

7 DAYS SARDINIA ITINERARY

DAY 1

MARINA DI OLBIA

DAY 7

FRIDAY 5.00PM

Departing early for Olbia, expecting a 5 to 6-hour journey with an arrival at the marina around 17:00 for refueling and starting catamaran return procedures. The suggested itinerary is flexible, tailored to your preferences and weather conditions. On the last day, sailing to Cannigione in the afternoon, concluding with refueling and catamaran return procedures. The proposed itinerary is versatile, customizable based on your preferences and weather conditions.
